Over 30 feet high flat development sites combined to create massive water frontage then sloping down to the ocean. Amazing views. Parcel 68A/62 is .58 acres and is zoned POS so if developed with the larger portion of the property it would be best suited to a park and ocean view lookout and is subject to "The Authority shall permit development within a Public Open Space zone only if the development — (a) is compatible with the character and function of the zone; and (b) buildings forming part of such development are directly associated with, and promote, the principal purposes and actual use of the zone."
