This is a truly unparalleled opportunity in the Cayman Islands, one that hasn't been available for over two decades and has no equal. Spanning over 125 acres, this property is remarkable not only for its size but also for being the highest point in the Cayman Islands with elevations exceeding 150 feet in some areas. The land surrounds the iconic Cayman Brac Lighthouse, a beloved landmark, and includes the island's most stunning natural walking trail. Additionally, a portion of the property has already been subdivided into 44 parcels, providing immense potential for future development. Opportunities like this are incredibly rare. With its prime location, natural beauty, and significant development potential, this property is a cornerstone for those looking to invest in the future of Cayman Brac.
