This is a wonderful opportunity to buy eight new condos—two-bedroom, two-bath units. Buy seven and get one condo free! These are currently rented short-term but could be for staff housing or long-term rentals. CI\$2650 to CI\$2750 monthly on a long-term basis, and low strata fees make this a good investment. Sold concrete, roof, second floor and walls. Gas dryers and water heaters, energy-efficient windows and a/c. Low cost to operate. Call for the ROI spreadsheet. The developer wants to sell the block of 8 to do another development.
